HELPING BUILD BETTER MENUS FROM THE GROUND UP

Consumers are more interested in the story behind their food than ever before. For operators, the clean labeling movement is more than a trend; it's a change in mindset—taking pride in everything on the plate, starting with the ingredients that go into every dish. That's why we've made our portfolio even better, while upholding the standards of quality you already know and rely on.

We offer products without undesirable ingredients—including trans fats, gluten, artificial colors, modified food starches, and Big 9 allergens such as wheat and soy.

- ✔ We've eliminated added MSG from our branded portfolio
- ✔ 40+ gluten free products
- ✔ 70+ clean label recipes, including our premium True Foundations® line
